

Parent Advisory Council

The Parent Advisory Council is a group of parents that meet to share ideas, communicate solutions and expectations, as well as to develop a network of support for their schools.

Every school that receives Title I money is represented. The goal is to increase parent and family engagement and school support in order to increase student achievement.

Parent and Family Engagement is funded through Federal Programs, Title 1

Any questions or comments concerning Title I should be directed to the Federal Programs

Director:

Latikka Magee

VISION

The Office of Federal Programs provides assistance and support to students, families, schools and district staff to ensure all students graduate college and career ready.

MISSION

The mission of the department of Parent and Family Engagement is:

Purpose driven assistance and support to engage **F**amilies to meet **E**ducational goals

Parent and Family Engagement

The Lafayette Parish School System recognizes the valuable role family plays in a child's successful progress through school.

Parent and family engagement in school activities is an important factor in student achievement. Schools with strong parent and family engagement have students that are more successful. This school district encourages and highly values parent and family engagement.

The statute (ESSA) defines parent and family engagement as the participation of parents in regular, two way, and meaningful communication involving student academic learning and other school activities, ensuring:

- That parents & families play an integral role in assisting their child's learning;
- That parents & families are encouraged to be actively involved in their child's education at school;
- That parents & families are full partners in their child's education and are included, as appropriate, in decision making and on advisory committees to assist in the education of their child; and
- That other activities are carried out that will build the capacity of all parents and families.

Parent Resource Center

The Parent Resource Center is available to all parents of students participating in a Title I school program. Individual sessions are offered to discuss your child's data and make material recommendations. All materials are available for checkout, at no cost to a parent. We offer a variety of games, literature, practice materials, computer access, enrichment activities, and DVD's to enable parents to assist their children at home.
