

ANNUAL REPORTS OF BOARD

The Board shall present to the public as soon as possible after the close of every fiscal year a comprehensive annual report on the general conditions of the schools.

The annual report shall summarize the curriculum, special programs, and services provided by the district; staff organization and responsibilities; and expenditures for majority purposes. It shall provide additional information of importance to the community on school operations and problems.

The superintendent shall be responsible for preparing and supervising the development of the Board's annual report.
