Lafayette Parish School Board Regular Meeting August 3, 2005

Board Reviews Transportation Website

The Lafayette Parish School Board received a demonstration of the new transportation website. The Board saw, step-by-step, how to locate bus stops on an interactive map, created in partnership with Lafayette Consolidated Government. The transportation information can be found at www.LPSSonline.com; click on View Bus Information; on the transportation web page click on School Bus Stop Map; when the parish map comes up, type in your home address. This will generate a map of the neighborhood and show the bus stops in the area. Click on a red star, which represents a bus stop, and chart is generated below the map showing the school being serviced by that stop, the bus driver, the bus driver's phone number, and the physical address of the bus stop.

- approved changes to Pupil Progression Plan;
- approved revisions to Policy File: IHAA-R - Regulations for High School Examinations;
- discussed a potential pay increase for the superintendent and extension of his contract;
