RE: Town of Duson

Please include Acadia Parish with Lafayette Parish on the City-to-Parish Index for the Town of Duson. The Town of Duson has annexed property within Acadia Parish.

The following is a listing of those domicile street addresses located in Acadia Parish and annexed into the Town of Duson.

On the local parish tax rate breakdown, please use an asterisk (*) for Duson (similar to the Vermilion Parish Kaplan Hospital District). This would inform taxpayers of the 2% Town of Duson Tax applicable to the listed Acadia Parish domicile addresses. Please link the listing of this "Code R" tax rate at 2% for the Town of Duson.

Thank you in advance
