The **Academy of Health Careers** at Lafayette High School is an academic program of instruction that ensures students interested in a career in health care have

opportunities to meet their educational goals and are prepared to meet the demands of a rapidly changing professional world.

Applications are available online at www.lafayettechoice.com/apply from November-January 31 each year. Students can enroll as a first time freshman or as a sophomore. Students begin their required elective in Introduction to Health Occupations (9th), and move into Health Science I (10th) and Health Science II (11th). Students must maintain a "C" average or better in their Academy electives to remain in the program. During their junior year, students have the option to choose a specialized career pathway; **General Medicine, Nursing Assistant, Sports Medicine & Athletic Training, Emergency Medicine, Pharmacy, and Forensic Science**. Courses in these pathways include: Forensic Science, Certified Nursing Assistant, Pharmacy Technician, Health Occupations Internship, Sports Medicine I, II, III, Emergency Medical Responder and Basic Emergency Medical Technician.

Elements of the program include: patient-care related curriculum pathways, partnerships with health care professional agencies; mentors and guest speakers to motivate and encourage students; a School-to-Career emphasis that allows students to see the relevance of school and the "real world" of professional health care; teaming with academy teachers which develops a sense of caring and support from Academy peers and faculty; and an integrated, focused curriculum where courses work in collaboration to make connections with academic materials and health care issues.

DISCIPLINE POLICY & PROCEDURES

Every teacher is authorized to hold every pupil to a strict accountability for any disorderly conduct in the classroom, on the campus, on the street, road, or bus going to or returning from school or school activity, or during intermission, recess, or lunch period. Principals may suspend from school any pupil for good cause. (L.A.R.S. 17:416 A)

See the parish handbook for all information concerning discipline

ORIENTATION PROCEDURES

Orientation is usually held one week before the start of school. Students will always be informed by letter in late summer with instructions. During orientation students will pay for locker fees, parking permits, class fees, ID cards, etc. All students MUST rent a locker and purchase an ID card. A student planner is

included with fees paid. For parking information, refer to page 21. Separate checks for each fee must be written and the student's name and grade level should be indicated on the check memo. (Non preprinted – counter checks are NOT accepted.) Should a student pay by cash, the exact amount is required. Change for cash will not be available. **All students should provide a current utility bill to receive a schedule.**

LIBRARY POLICY

The library is open continuously from 6:45 a.m. - 3:00 p.m. All students who use the library are expected to observe the rules of correct behavior and consideration for others. Those who fail to do this may be denied the privilege of use. A pass, signed by the teacher is required for each and every student coming to the library during class periods. Since regular classes are being held during lunch, a student needs a pass from his teacher to come to the library during his lunch period. Periodically, a list of students with overdue books or fines will be sent to all teachers. It is important that teachers inform these students or post these notices in their classrooms. The students should come to the library as soon as possible to clear. If they fail to clear, they will be sent to the principal for suitable disciplinary action. Rights and privileges of the Internet is encouraged, but come with responsibility. SPORTSMANSHIP—Sportsmanship is the practice of fair play and consideration for others. It is the concrete measure of understanding and commitment to fair play, ethical behavior, and integrity. Sportsmanship is the blending of cheers for our team and applause for the opponents. It is respect for others and one's self. It encompasses all which is good in human nature. **It is being able to endure a loss and not bring shame upon yourself, your team and/or school.** The ability to exhibit good sportsmanship is dependent on whether we possess the human values of self-discipline, responsibility, integrity, respect, and courage.

LHS Commitment to Sportsmanship—We will cheer for our team without booing opponents. We will respect official's calls and will not taunt other players, cheerleaders, dancers, bands, etc. We will applaud all accomplishments for our team and our opposition.

Students who do not abide by these principles of sportsmanship will not be allowed to attend future athletic competitions.
