1988 ½ Cent Sales Tax Budget
Fiscal Year 2008-2009**

During the 2008-2009 budget process it was determined that presenting activity of the 1988 ½ cent sales tax as a stand alone budget might create confusion in the eyes of the public that this was additional revenue and expenditures. In reality, all revenue and expenditures for the 1988 dedicated sales tax are already incorporated in the General Fund Budget.

In order to avoid this confusion, beginning in FY 2008-2009 this information will no longer be presented as a separate section in this document. The initial allocation of these funds for FY 2008-2009 will be presented to the Board as an information item with a final actual allocation presented to the Board after 6/30/09.

Beginning with the FY 2009-2010 budget process, this information will be presented to the Board as an information component of the General Fund budget. A schedule showing the detail will be included in the General Fund section of this document.
