Lafayette, LA 70508

Dear Members of the School Board:

The adopted unified budget for the fiscal year 2007-2008 along with supplemental supporting schedules is presented within this bounded budget document. The budget document has been prepared pursuant to and is compliant with applicable laws and regulations.

Two of our greater challenges continue to be remaining competitive in the wage and benefits arena and maintaining our physical plant and facilities while continuing to improve our educational services. As in the past, we must continue to look for ways to maximize our known funding sources and to identify/obtain potential funding sources. Our success will require the continued efforts of our employees and the ongoing support of our community.

Sincerely,

Burnell F. Lemoine
Superintendent
