

## Lafayette High School Dual Enrollment Opportunities and Requirements

Dual Enrollment is a program that allows students to earn both high school and college credit at no tuition cost to the student. LPSS will cover a total of **12 credits hours (usually 4 college courses)** for a student's entire high school career. After that, students can still participate in dual enrollment but must cover the course cost. At this time, LPSS will cover materials for dual enrollment classes. LHS works with UL Lafayette and LSU to offer opportunities on campus at LHS as well as on campus at UL Lafayette.

### Applications and Update to Date Information

### Special Dual Enrollment on UL Lafayette's Campus 11th-12th

UL offers academic credits through several different classes. The district covers the cost of these special courses even if it exceeds the 12 hours allotted and students earn credits that can be used towards graduation. Students can take up to three Dual Enrollment classes per semester. At this point, LPSS will cover materials. Students are responsible for transportation to UL Lafayette's campus. Listed below is the eligibility criteria for these special dual enrollment classes offered on the UL Lafayette campus (course offerings are subject to change):

#### Course Offerings:

##### **NURS 104 - Issues and Trends Influencing Nursing and Health Care**

- 1 semester course (Fall)
- 2.5 GPA (12th), 2.75 GPA (11th) **AND**
- 18 English ACT Subscore **AND**
- 21 Math ACT Subscore **OR**
- C or better in Math 105 through previous year

##### **EECE 140 - Computer Engineering**

- 1 semester course (Fall)
- 2.5 GPA (12th), 2.75 GPA (11th) **AND**
- 18 English ACT Subscore **AND**
- 23 Math ACT Subscore

## **Dual Enrollment on Campus at LHS** **(UL Lafayette, LSU: 11th-12th)**

LHS offers academic credits through several different classes. The district covers the cost of at least **twelve college credit hours (usually 4 college classes)** and students earn credits that can be used towards graduation. Students can take up to three Dual Enrollment classes per semester. At this point, LPSS will cover materials. Listed below is the eligibility criteria for dual enrollment classes offered on the LHS campus (course offerings are subject to change):

### **Course Offerings:**

#### **English III/IV: ENGL 101 (UL Lafayette)**

- 1 semester course (Fall)
- 2.5 GPA (12th), 2.75 GPA (11th) **AND**
- 18 English ACT Subscore

#### **English III/IV: ENGL 102 (UL Lafayette)**

- 1 semester course (Spring)
- 2.5 GPA (12th), 2.75 GPA (11th) **AND**
- C or better in Engl 101 through fall course **OR**
- 28 English ACT Subscore **OR**
- 3 AP score on English Language Exam **OR**
- 55 CLEP score on College Composition with portfolio submission

#### **English IV: ENGL 201 (UL Lafayette)**

- 1 semester course (Fall)
- 2.5 GPA (12th) **AND**
- C or better in Eng 101/102 through previous year **OR**
- 4 AP score on English Language Exam

#### **English V: ENGL 202 (UL Lafayette)**

- 1 semester course (Spring)
- C or better in Engl 201 through fall course

#### **US History I: HIST 2057 (LSU)**

- Full Year Course (Spring enrollment)
- 2.5 GPA **AND**
- 18 English ACT Subscore

**World History I: HIST 1005 (LSU)**

- Full Year Course (Spring enrollment)
- 2.5 GPA **AND**
- 18 English ACT Subscore

**Geography I: GEOG 103 (UL Lafayette)**

- Full Year Course (Spring enrollment)
  - 2.5 GPA (12th), 2.75 GPA (11th) **AND**
  - 18 English ACT Subscore
- 

**College Algebra: MATH 105 (UL Lafayette)**

- Yearlong course (Fall prep course and Spring enrollment)
- 2.5 GPA (12th), 2.75 GPA (11th) **AND**
- 19-22 Math ACT Subscore

**Statistics: STAT 214 (UL Lafayette)**

- Yearlong course (Fall prep course and Spring enrollment)
- 2.5 GPA (12th), 2.75 GPA (11th) **AND**
- 25 Math ACT Subscore **OR**
- C or better in Math 105 through previous year

**AdvMath PreCalc: MATH 109 (UL Lafayette)**

- 1 semester course (Fall)
- 2.5 GPA (12th), 2.75 GPA (11th) **AND**
- 23-27 Math ACT Subscore **OR**
- C or better in Math105 through previous year

**Trigonometry: MATH 110 (UL Lafayette)**

- 1 semester course (Spring)
- C or better in Math 109 through fall course

**Differential Calculus: MATH 1530 (LSU)**

- 1 semester course (Fall)
- C or better in Math 110 through previous year **OR**
- ALEK score of 79

**Integral Calculus: MATH 1540 (LSU)**

- 1 semester course (Spring)
  - C or better in Math 1530 through fall course
-

**Environmental Science: ENVS 100 (UL Lafayette)**

- 1 semester course (Spring)
- 2.5 GPA (12th), 2.75 GPA (11th) **AND**
- 18 English ACT Subscore **AND**
- 19 Math ACT Subscore

**Chemistry I: CHEM 107 (UL Lafayette)**

- Yearlong course (Fall prep course and Spring Enrollment)
- 2.5 GPA (12th), 2.75 GPA (11th) **AND**
- 23 Math ACT Subscore **OR**
- C or better in Math 105 or Math 109 through previous year

**Chemistry II: CHEM 108 (UL Lafayette)**

- Yearlong course (Fall prep course and Spring Enrollment)
- C or better in CHEM 107 through previous year

**Biology II: BIOL 110 (UL Lafayette) \*you will also receive Bio 112 lab credit**

- Yearlong course
- 2.5 GPA (12th), 2.75 GPA (11th) **AND**
- 23 English ACT Subscore **OR**
- C or better in ENGL 101 **OR**
- AP Score of 3 in English **AND**
- 21 Math ACT Subscore **OR**
- C or better in Math 105 or Math 109

---

**Spanish V: Span 1101 (LSU)**

- 1 semester course (Fall)
  - 2.5 GPA **AND**
  - 18 English ACT Subscore
-

## **Extenuating Circumstances to be aware of:**

### **Dropping the class/Poor grades/Do not maintain eligibility**

- Understand that the grades they earn in these Dual Enrollment classes also count toward their college GPA and can affect TOPs continued eligibility and graduate school admissions.
- If a student drops the class WITHIN the first five days of the institution's start date, there is no penalty to their high school or college transcript. There is no restriction on future dual enrollment participation.
- If a student drops the class AFTER the first five days of the institution's start date and before their assigned "Drop" date, a W will appear on their college transcript; nothing will appear on their high school transcript. They will have to appeal to take another class through Dual Enrollment in the future. The high school schedule will be changed accordingly.
- Students (i.e. stops attending) cannot "Drop" after the official drop date, they will earn an "F" on both their college and high school transcript. This "F" will also be calculated in their 1st semester TOPs GPA and could threaten TOPs and financial aid eligibility. They can no longer participate in Dual Enrollment. High school schedule will be changed accordingly.
- If the class is at the college, students are responsible for dropping the course with the institution. Please be mindful of drop dates.
- If the class is at LHS, the teacher will inform the Dual Enrollment coordinator and the student's schedule will be changed accordingly (i.e. student fails English III/Engl101 - will be moved to a full credit English III course to hopefully pass and will not be able to participate in future dual enrollment).
- Some degree programs at UL Lafayette/LSU require that students earn a "C" or better in certain classes in order for those classes to count towards a student's college degree and can make students retake classes until earned; however, for graduation purposes, students will earn high school credit with a "D" but would not be allowed to continue in any future dual enrollment. Talk to UL Lafayette/LSU for clarification for degree specifics.
- High School dual enrollment grades are weighted on a 5 point grading scale (ie a B is worth 4 points); however, on a student's college transcripts, grades are not weighted (ie B is worth 3 points). In addition, grades in dual enrollment courses are on a 10 point grading scale, example 90 is an A for both high school and college transcripts.
- Dual Enrollment courses must follow the college's attendance policy. Please review class specific syllabus for exact information.
- If you are taking a fall and spring course, per PPP you must stay in the spring course as long as you are in good standing.
