RESOLUTION 8-01-1340

HOLD HARMLESS SCHOOL SYSTEMS

WHEREAS, Article VIII, Sec. 13 (B) of the Louisiana Constitution provides that the State Board of Elementary and Secondary Education (BESE) shall annually develop a formula to determine the cost of a minimum foundation program (MFP) of education in all public elementary and secondary schools and requires the Louisiana Legislature to annually appropriate funds sufficient to fully fund the cost to the state of such a program; and,

WHEREAS, State Superintendent of Education Cecil Picard has notified the State of Louisiana through the Commissioner of Administration that an additional appropriation of SEVENTEEN MILLION TWO HUNDRED TEN THOUSAND SIX HUNDRED DOLLARS (\$17,210,600.00) is necessary to fully fund the MFP for fiscal year 2000-2001; and,

WHEREAS, despite repeated requests, the State of Louisiana through the Commissioner of Administration has failed to appropriate and forward to the State Superintendent of Education the SEVENTEEN MILLION TWO HUNDRED TEN THOUSAND SIX HUNDRED DOLLARS (\$17,210,600.00) necessary to fully fund the MFP for fiscal year 2000-2001; and,

WHEREAS, because of this failure on the part of the State of Louisiana, the State Superintendent of Education has been required to reduce the amount of MFP funds flowing to fifty-five (55) school districts in Louisiana by amounts totaling SEVENTEEN MILLION TWO HUNDRED TEN THOUSAND SIX HUNDRED DOLLARS (\$17,210,600.00); and,

WHEREAS, those funds are vitally important for the continuation of educational services to students and, in many instances, have already been budgeted and/or expended by school districts; and,

WHEREAS, the issue of whether the State of Louisiana through the Commissioner of Administration can unilaterally reduce the level of funding provided by the state to the school districts through application of the MFP is one of importance to all public school systems in Louisiana; now,

THEREFORE, BE IT RESOLVED by the Lafayette Parish School Board in a regular session duly convened that:

The Lafayette Parish School Board supports the position of the schools whose funding is at risk and urges Governor Mike Foster and Commissioner of Administration Mark Drennen or any other agency or individual with regard to the failure of the state to appropriate the SEVENTEEN MILLION TWO HUNDRED TEN THOUSAND SIX HUNDRED DOLLARS (\$17,210,600.00) referenced above to appropriate the funds necessary to correct the aforementioned problem.
