Bus Operators.

Tenure shall be granted bus operators in accordance with state law.

This specifies that bus operators shall serve a probationary term of three years reckoned from the date of first employment by the district. Upon absence of notification of dismissal within that time, the employee becomes a permanent employee, with tenure in the district.

A probationary employee may be discharged by the School Board provided proper notice is given; a permanent employee may be discharged only for the reasons set forth in the law.
