

SEX AND AIDS EDUCATION

Louisiana legislation concerning sex and aids education allows the School Board to adopt a policy enabling the system to offer instruction within existing courses provided certain guidelines are followed.

The Lafayette Parish School Board adopts Acts 480, 1990 and Bulletin 1827 as operational Board Policy.

Legislative Acts 480, 1990 and Bulletin 1827 provide the guidelines by which sex and aids education related curriculum are developed and brought to the School Board for approval.
