

INSTRUCTIONAL MATERIALS SELECTION

It is the policy of the Lafayette Parish School Board to assist schools to maintain a comprehensive collection of instructional materials, both print and non-print which supports and augments the curriculum.

The legal responsibility for materials of instruction in the system's schools shall rest with the Lafayette Parish School Board. The Superintendent delegates the task of selecting and purchasing materials of instruction to appropriate professional personnel.

The rights of individuals or groups to express an objection to any instructional material shall be respected and procedures are established for the handling of objections.
