

DRESS CODE GUIDELINES FOR STUDENTS

In accordance with RS 17:416.7, the Lafayette Parish School Board has adopted a standard code of dress as described below. The guidelines set forth are designed to:

- Promote school safety
- Minimize distractions and disruptions based on personal appearance, grooming, hygiene, and attire
- Prevent clothing, jewelry and general appearance that constitute a health or safety hazard
- Prevent clothing styles that are suggestive, indecent or inappropriately fitted
- Foster an attitude of respect for authority, improve morale and prepare students to enter a work force that often has rules regarding dress, conduct and appearance

When it is determined that a student's clothing does not comply with the dress code, a parent/guardian may be asked to bring an appropriate change of clothes to school. In addition, the student may also receive a disciplinary consequence for violating the school's dress code policy.

VERIFY UNIFORMS THROUGH A SCHOOL OFFICIAL

Parents should not rely on stores for information regarding Lafayette Parish uniforms. Parents should call their school or the Lafayette Parish School System Central Office for information before buying uniforms.

GENERAL GUIDELINES

- A. **FIT:** A student's clothing should not be excessively tight or excessively large. Parents should buy clothing that fits appropriately and can be worn without exposing undergarments. Clothing should have no exaggerated fit which would promote sagging. Clothes so small that mid-drifts are exposed is not allowed. The Principal or designee's determination as to whether or not clothing is appropriate to the student's body size shall be determinative and final
- B. **STYLE:** A student's clothing should be free from holes, frayed edges, or tears. They should not be see through.
- C. **CONTENT:** No clothing should contain anything that would be offensive in nature to any population of students. Clothing may not promote anything prohibited by LPSS discipline policy (tobacco, alcohol, drugs, violence).
- D. **SCHOOL SPIRIT:** All clothing worn must represent the school the student is enrolled in and attending. Students may not wear clothing from any other public, private or parochial school. University or professional sports teams may be worn.
- E. **RESPECT OF THE EDUCATIONAL ENVIRONMENT:** Although we recognize the inherent desire of young people to express themselves through clothing and grooming, we must insist that students respect the educational environment. We will not permit any persistently distracting clothing or grooming regardless if it is specified precisely within the guides below. The final decision of all dress regulations resides with the building principal.

ENFORCEMENT AND EXCEPTIONS TO THE STUDENT DRESS CODE

Principal's Discretion to Make Uniform Exceptions

Principals may declare spirit days and allow students to wear school spirit shirts, or dress-up days (such as when school pictures are scheduled). Principals may determine guidelines for belts and the tucking of shirts. Principals may also allow students to wear other uniforms such as Boy Scouts, Girl Scouts, band, chorus, etc. Other questions about uniforms should be referred first to the school principal. Special dress days are not to be used as school fundraisers.

Dress Code in Special Classes

Students must follow the rules of appropriate dress as dictated by the needs of special classes (i.e. physical education, industrial arts, consumer science, etc.)

Exceptions for Religious Reasons

Requests for religious exceptions to the dress code must be made to the Office of Child Welfare & Attendance, who will explore the basis for the exception and determine if the exception is warranted. An individual requesting an exception bears the burden of demonstrating the following.

- The individual has a legitimate religious belief that conflicts with the Lafayette Parish School System student dress code.
- The dress or grooming of the student is a documented expression of his or her religious belief.
- The dress or grooming beliefs are rooted in religion and required by his or her religious practice.
- The individual has a sincerely held belief that enforcement of the student dress code will have a coercive effect that will operate to prevent his or her exercise of those religious beliefs.

Any student requesting an exception from the student uniform dress code for religious reasons must produce to the Office of Child Welfare and Attendance documentation establishing the legitimate existence of the religion and evidence of the grooming or dress as rooted in religion and as necessary while in school. The Office of Child Welfare and Attendance may deny a request if, in his or her judgment, the requested exception poses a danger to the student requesting the exception or to any student attending school in the system. All requests for exceptions must be made prior to any actions that would otherwise be a violation of the student uniform dress code.

Final Judgment Resides with the Building Administrator

The principal will make the final decision if the clothing, hair, jewelry and general appearance of a student meet the Lafayette Parish School System's school uniform and appearance guidelines explained above.

Violation of Dress Code Policy:

Any student who violates the student dress code will be subject to school disciplinary action. Appeals and/or clarification regarding the discipline of a student for improper dress code should be directed to the school principal or designee.
