

STUDENT AUTOMOBILE USE

1. Students who drive automobiles, motorcycles, or scooters to school must obtain the proper operator's license, liability insurance, and register such vehicle with a designated member of the faculty.
2. All vehicles must be parked in parking spaces designated by the principal.
3. The arrival and departure of vehicles on the school campus shall be regulated by the principal.
4. Students shall not sit in parked cars at any time after their arrival at school.

Issued and approved prior to 1975
