Non-Domiciliary Enrollment Verification

We understand that our child/children

Student Name: _____

will be allowed to attend:

School: _____

based on his/her non-domiciliary parent's address. We understand that the Lafayette Parish School System requires that students attend school in the zone of their domiciliary parent and an exception is being made. Should problems arise (attendance, tardies, pick-up, drop-off) you may be asked to return to the home zone school (based on address of domiciliary parent).

We understand that this school placement must be for the entire current school year. We also understand that transportation will only be provided to the parent's home that resides in our school district.
