

### **Summer Food Service Program Sites in Lafayette Parish Schedule Updated**

The summer feeding schedule has been updated. Please see revised schedule attached

**Lafayette, LA-** The Summer Food Service Program (SFSP) was established to ensure that low-income children continue to receive nutritious meals when school is not in session. Free meals, that meet Federal nutrition guidelines, are provided to all children 18 years old and under at approved SFSP sites in areas with significant concentrations of low-income children. Only certain schools participate in the Summer Food Service Program. A current list of participating school is now available.

**What:** The Summer Food Service Program is a program that provides free, nutritious meals to all children during the summer vacation period.

**Who is Eligible:** Any child 1-18 years of age, and to individuals over 18 who have been determined by the State to be mentally or physically disabled and who participate in a public or nonprofit school program established for the disabled.

**How to Register:** No registration is needed. All children are welcomed to attend. All meals are free. All "walk-ins" are welcomed.

**Feeding Sites:** See attached.

#### **How SFSP Works:**

SFSP is administered at the Federal level by the Food and Nutrition Service (FNS), an agency of the United States Department of Agriculture (USDA). FNS decides overall program policy and publishes regulations and payment rates.

The State approves sponsor applications, conducts training of sponsors, monitors SFSP operations, and processes program payments. Sponsors sign agreements with their State agencies to run the program.

SFSP reimburses approved sponsors for serving meals that meet Federal nutritional guidelines. Sponsors receive payments from USDA, through their State agencies, based on the number of meals they serve. All meals are served free to eligible children.

## Lafayette Parish School System
